

14 DARTE AVENUE  
CARBONDALE, PA.

Taking an active part in?

Get into something athletic for  
that kind of physical experience is  
so worth while.

I thought perhaps we'd be  
driving down your way before  
this but business has sent us  
in the Bethlehem direction instead.

I'm so glad you are loving  
this bit of school life - it's sweet  
knowing you are with such a fine  
group.

Sincerely  
Eleanor
